**"Sharing Our Blessings, Building Our Future" Campaign**

**CAPITAL CAMPAIGN  
TO BEGIN**

St. Francis by the Sea Catholic Church is proud to announce the inauguration of our Capital Campaign – ***"Sharing Our Blessings, Building Our Future"***. After much planning, we have decided to conduct a pledge campaign to raise the necessary funds to build the Fine Arts Center and Multi-Purpose Center.

Over the next several weeks, you will receive information about ***"Sharing Our Blessings, Building Our Future"*** from the pulpit, through the mail, in the bulletin, and at campaign receptions (see right). We ask that everyone give their fullest attention and cooperation to the efforts of this campaign.

Throughout the course of our project, all parishioners will be asked to give their time, efforts, prayers and financial commitments in order to ensure a successful drive. Coming to a Reception is the first step in understanding our plans for the future!

If there are any questions about our Campaign, please call **Connor Savage**, the Campaign Director at 843-681-6350 or stop by the Campaign Office located near the St. Francis School sign to see him.

**ALL PARISHIONERS  
WILL BE INVITED TO  
ATTEND A CAMPAIGN  
RECEPTION!!**

All registered parishioners at St. Francis by the Sea Catholic Church will receive an invitation in the mail to attend a Campaign Reception. During these receptions, members of the Campaign Committee, and our Pastor will talk about the proposed plans for the parish. All families who attend a reception will receive their personal campaign materials and have the opportunity to ask questions about our project.

We strongly encourage all parishioners to attend these receptions. Once you receive your invitation, we ask that you return your RSVP card as soon as possible so that the Campaign Committee members can prepare your personalized information package.

**NEXT WEEKEND IS
