*"Sharing Our Blessings, Building Our Future"*

## He is Risen... Hallelujah

We would like to extend a very heart-felt Happy Easter to everyone. In this season of Easter, let us remember the blessings that our Father has given to us: the blessing of each day of our life and our salvation through His son, our Lord. May our praises be to our King, who rose from the grave and defeated death for us!

Don't forget to RSVP for a reception that will explain our Capital Campaign. All the receptions will be held in the Family Center. Please bring a friend to learn the good news about St. Francis by the Sea Parish and St. Francis School.

As parishioners of St. Francis by the Sea and the Diocese of Charleston, we ask you to help us meet the challenge we now face. We ask all of our Catholic families to consider a sacrificial and spiritual pledge to the best of their ability.

Please remember that the basis for our campaign is "equal sacrifice, not equal giving". Every sacrificial gift, no matter the size, is appreciated and greatly needed for the success of this campaign.

As Sirach 35:7-10 tells us, we should give to the Most High as He has given to you, generously, according to your means.

When we give to the Church, that money is going to further His kingdom through ministries that are offered, whether it be by giving food or providing shelter for a Christian Service and Justice recipient; The Knights of Columbus helping a family for a worthy cause; or strengthening the parish community by providing booklets to become more intimate with God or through Bible studies. The Lord has given to you generously by giving you another precious day in this world to benefit those around you. A nice deed or a little word of encouragement can touch someone in a way you don't know. He doesn't need everyone to make a major impact in the world, He only needs you to do that in YOUR world according to where He put you.

The Campaign Office will be closed until Tuesday, April 10<sup>th</sup>. If you have any questions about the details of our campaign or if you would like to volunteer, please call the Campaign Director, Connor Savage, at 843-681-6350x255.
