

The Sisters of St. Mary invite you to join the **Prayer Companions**, a group of women and men, active, retired or homebound who promise to pray for the ministries of the Sisters and for each other. The Sisters depend upon your prayer for their work throughout the world. Prayer Companions make a commitment to pray in whatever way they can and within their own timeframe. In return, the Sisters promise to remember your intentions in their prayers. There are no meetings or financial obligations. Prayer Companions deepen their relationship with God and are spiritually connected to the Sisters and their works. To join or to obtain more information, please fill out the form below and send to:
