

“WHAT IS GOOD FINANCIAL STEWARDSHIP?”

Recently you received a letter introducing an opportunity to easily enter into prayerful, planned giving in our parish. I hope you will give serious consideration to joining me in choosing to use electronic giving as part of your stewardship plan. I am asking you personally to join no matter what the amount might be even if it is a small part of your planned giving. Good stewardship starts one person at a time.

The grace of God perfects our human frailties - tithing overcomes two big stumbling blocks in our lives; the failure to thank God for His blessings and the temptation to not share His blessings with others. Please join me in this spiritual exercise and you will not regret your commitment. It will help transform your life and the life of our parish. His master said to him, “Well done, good and faithful servant; you have been faithful over a little, I will set you over much; enter into the joy of your master.” (Matthew 25:23)

In Christ- United in faith, love and service

Fr. Mike
