The name of our group is Spiritual Ministry of God (“SMOG”). We grew out of the original “FOG” (Friends of God) group. We currently have 10 members, 4 couples all year with 1 couple joining us from “up north” for the summer. We meet weekly on either a Wednesday or Thursday afternoon.

Our group uses “Faith Sharing for SCC’s” and DVD’s, tapes, and books . . . as the Spirit moves us.

In “SMOG”, we have managed to carry on the enthusiasm of the original “FOG” group, and find excuses to meet them occasionally. In addition to faith-sharing, we are always looking for something we can do to serve the larger Parish Community. We will always find a way to squeeze a new member in and if we get too big, we will split again.
