The name of our group is Friends of God (“FOG”). We currently have 6 members, 2 couples and 2 singles. We meet weekly, usually Wednesday afternoons.

Friends of God (“FOG”) was formed in 1998 with three couples as a study/discussion/fellowship group. We have always been open to visitors, inviting them to ‘come and see’. When they do, many wish to stay. Our understanding of SCC has grown over the years to include the essential elements of Worship, Fellowship, Discipleship, Ministry, and Evangelism.

Our most meaningful study was The Purpose Driven Life which really broadened our vision of SCC. Currently, we are doing Andy Stanley’s Marriage video series. We will also do other books, videos, scriptural readings as we are led.

Occasionally, we also participate in parish ministries such as Mustard Seed and Kairos to serve their needs.
